Why are we having this event?

On July 7, 2008, while participating in a charitable golf tournament, Deputy Scott Beine, an 11 year veteran with the St. Charles County Sheriffs Department, was struck in the forehead by an errant golf ball resulting in a severe head injury. As a result of the injury, Scott has been unable to work, and his wife, Toshia, is required to stay at home to care for him and their two children. As you might guess this unforeseen situation has caused a strain on their finances as well as absorbing all of Scott's sick time. Scott has always been active in numerous charitable events every year. Now it's time for the Law Enforcement Community to come together and help out Scott and his Family. Give what you can. Every little bit will help.

Hamburgers, Hotdogs, Beer, Soda, and Water before and during your round.

Mulligans, 50/50 raffle tickets, and skins tournament will be sold the day of the scramble.

Silent auction at the conclusion of the scramble.
